Faculty

Dr. Muhammad Ali Siddiqui (Professor)

Rector

D.Litt. Pakistan Studies.

Ph.D. in Pakistan Studies, Karachi University.

M.A. English, Karachi University.

Has more than 40 years of teaching, education management and administrative experience.

Professor & Dean, Faculty of Humanities and Social Sciences, Hamdard University.

Director; Quaid-i-Azam Academy, Government of Pakistan. Literary Columnist (more than 46 years of experience of writing on Literary and Cultural Affairs, 1964 to date and 17 books to his credit, two of them nationally awarded. Recipient of President of Pakistan's 'Pride of Performance Award' & Sitara-i-Imtiaz.

Research Concentration and Subject Area: Social Sciences

Dr. Syed Iqbal Mohsin (Professor)

Director, Quality Enhancement Cell

PhD from Charles University, Czech Republic.

He is an educationist and an academician with a passion for teaching and has been involved in management of higher education at all levels: Chairman, Director, Dean and Vice Chancellor.

He had also been associated with the Federal Urdu University Islamabad / Karachi, as Vice Chancellor and was a consultant to Pakistan Petroleum Ltd.

Research Concentration & Subject Areas: Engineering Geology, Economic Geology, Environment & Safety, Petroleum Economics & Management.

Dr. Affan Seljuq (Professor)

Ph.D., History, University of Tehran

Post Doctorate Research, Paris University, France

M.A., Islamic History, University of Karachi

More than 30 years of teaching experience and more than 50 research publications to his credit.

Project Leader on Archives of Hajj Project from Abdul Aziz University, Jeddah.

Extension Lectures in many areas such as Cultural Themes, Human Right, Status of Women, etc.

Participated in more than 16 National and International conferences worldwide. Member of Academic, Cultural and Islamic Forums. Biographical inclusion in American Biographers International Dictionary. Awarded Shah Faisal Award, UN-Peace Messenger Award and Poetry Award of Maryland National Library, USA.

Research Concentration & Subject Areas: History of Islam, Humanities

Dr. Muhammad Yasin (Professor)

PhD., Birmingham University, U.K.

MS, Birmingham University, U.K.

More than 20 years of teaching and research experience and has many research publications to his credit.

More than 13 years of intensive experience in Operational & Commercial Management of HOECHST Pharmaceutical and ASPRO-NICHOLAS Pharmaceuticals. Ten years experience in Industrial Research and Project Management, Project consultancies in financial institutions, Board of investments and Banks in Pakistan. Has been involved in preparation and evaluation of feasibility projects (local / international). Worked as a commercial advisor to UNDO sponsored at PERAC, Pakistan more than 10 years.

Research Concentration & Subject Areas: Management, Strategic Management and Operations Management

Dr. Noor Ahmed (Professor)

Ph.D, Economics

M.Phil, Economics

M.A. Economics

More than 20 years of teaching and research experience with many research publications to his credit. Has served in IDBP for 25 years. Remained Assistant Editor in the Daily Dawn for 3 years

Editor of Pakistan Textile Journal.

Research Concentration & Subject Areas: Economics, Financial Analysis, Project Evaluation, Planning and Development

Dr. Rahat Alam (Professor)

Associate Dean, Social Sciences

Ph.D. (English) Equivalence Certificate from University of San Francisco, USA.

M.A English

M.A Comparative Religion

PGD in Arabic

Has more than 30 years of teaching, including more than 20 years of Postdoctoral Teaching at University level. More than 10 years of Academic management expertise as Director/Dean Faculty at various Universities. Member National Curriculum Revision Committee for:

1. Business Administration (Ref: HEC List Experts 2004-05 on p 13, serial 14)
2. Social Sciences (Ref: HEC List - Experts 2005-06, on p 23, serial 18)

Director Baqai Institute of Health Management & Social Sciences, Baqai Medical University/Dean Faculty of Social Sciences & Postgraduate studies, Greenwich University.

Research Concentration & Subject Areas: Human Resource Management, English and Comparative Religion

Mr. Sikander Mehdi (Professor)

Director, Planning & International Linkages

MA International Relations from University of Dhaka

Educated at Dhaka University and Australian National University, Professor Syed Sikander Mehdi is the former chairperson, Department of International Relations, University of Karachi and former Registrar of the University of Karachi. He is a recipient of several fellowships including the 10-month research fellowship at the Ritsumeikan University; Kyoto, Japan. He is on the Visiting faculty of peace studies at the University of Jaume I, Castellon, Spain and the University of Lusbruck. His research papers have been published in English, German, Japanese, Spanish and French.

Research Concentration & Subject Area: International Relations

Dr. Ali Akber Dhakan (Professor)

Associate Dean, Management Sciences

Ph. D (Economics), Sindh University.

MA, Sindh University.

Has more than 40 years experience in Banking and Research. Remained Executive Director of State Bank of Pakistan. Managing Director of (Small Business Finance Corporation (SBFC). Director Board of Agricultural Development Bank of Pakistan (ADBP).

Expert for basic research studies for Asian Productivity Organization, Tokyo, Japan with 7 publications to his credit. Authored 4 books which are: Miraculous Fortunes, Historical Injustice, Secrets of Economic Prosperity, Impact of Growth of Textile Industry on the Economy of Pakistan.

Research Concentration and Subject Areas: Rural Economics, Development Economics

Dr. Farooq Cheema (Associate Professor)

Dean, Faculty of Management Sciences

MSc in HRM&D from University of Manchester, UK

Ph.D in Management from University of Karachi

A member of the coveted HR development body CIPD, UK, Dr. Cheema has more than fifteen years of experience as corporate HRM & D consultant and practitioner as well as a faculty member of prominent management education institutions. He has comprehensive background in designing and implementing the HR system. He can effectively define, develop and implement targeted action plans in the field of HRM to maximize operational efficiency and productivity. Numerous local business groups, banks and multinational companies are among his clients. In the field of HRD, he has imparted learning for soft skills to hundreds of participants through EFP, ICAP, IBP and SZABIST apart from his plentiful contractual HRD related engagements with the corporate sector organizations. Dr. Cheema is recognized for imparting impact-oriented training aimed at practical learning and competency. Currently, besides being engaged with the assignments of consultancy, he is associated with Biztek Karachi as an Director Human Resources & Dean Management Sciences.

Research Concentration & Subject Area: Human Resources Management and Development

Dr. Abdul Shakoor (Associate Professor)

Associate Dean, Computer Science & IT

PhD Mechanical Engineering and M.S. Mechanical Engineering from Odessa State Academy , Ukraine
B.E. Mechanical Engineering from NED University of Engineering & Technology

He has been associated with Pak Navy Commander PN / Associate Professor NUST Karachi, NUST PNEC Pakistan, Teaching and research in various subjects.

Principal Mechanical Engineer (Building Services, HVACR, Plumbing, Fire Fighting)

Free Lance Consulting: With Various consultants & contractors in the Middle East (UAE, Qatar, and Saudi Arabia) and Pakistan.

Research Concentration & Subject Area: Engineering Sciences, and Computer Sciences

Dr. Badaruddin Ujjan (Associate Professor)

Ph.D from Shah Latif University, Khairpur (Sindh)

MA in English and Literature from University of Karachi

Has more than 40 years of professional experience and has also served in the Civil Services of Pakistan. Worked as the Secretary Home & Tribal Affairs to the Government of Balochistan. Has worked as a Lecturer for English at the Islamia College , Karachi. Has translated numerous books including T.S. Elliot's "The Man and his Works".

Research Concentration & Subject Area: English and Literature

Ms. Azra Maqsood (Assistant Professor)

Director Academics
